Superintendent's Highlights

During the 2001-02 school year, work was done to adopt, and start to implement, the five year strategic plan.

Last year School District #171 renewed a commitment to increasing student achievement. Many hours were spent on curriculum alignment with State of Idaho standards. Reading, Math and Language Arts continue to be the focus.

Many of our teachers have taken Reading and Math in-service classes to increase their knowledge and efficiency in teaching these subjects.

The over-ride of \$845,000 did pass with 81% of the patrons voting in favor of the levy.

Progress Towards Meeting District Goals

2001-02 Goals

Progress

Explore alternative funding sources for plant facilities.

A committee has been appointed to look at alternative funding sources for plant facilities.

Designate funding for a part-time public relations position in the School District, and establish a point of contact in each building. Maintain a School District web sight. Develop a template for teachers to provide information to stakeholders concerning class requirements, grading procedures, and contact information. Develop a periodical to celebrate alumni achievement to improve self-esteem of community and students.

A committee has been appointed to assess the funding and to find a part-time public relations employee.

Develop a School District policy to improve the employee evaluation process in order to promote an honest and open exchange of information.

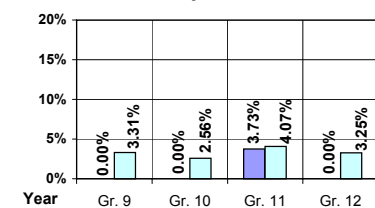

A committee has been appointed to study the current evaluation process of employees and make recommendations to the School Board.
